Submission guidelines

1. The research proposal should be in the form of an extended abstract not exceeding 3500 words.
2. The proposal should be accompanied by a brief resume and a letter of recommendation by the primary supervisor.
3. Submissions must be single-author, but the name of the supervisors should also be mentioned within the proposal.
4. Submissions must be made electronically in PDF format by the stated deadline via the email: icbm@sjp.ac.lk

The proposal must:

- clearly formulate the research question,
- identify a significant problem in the field of research,
- outline the current status of the problem domain and related solutions
- present clearly any preliminary ideas, the proposed approach and the results achieved so far,
- describe the research methodology that is applied or planned,
- outline the contributions of the applicant's work to the problem domain

Abstract would be published in conference proceeding
